SANTANA, SAINT-TROPEZ

300 M2
6 CAMERE
NUOTARE

DESCRIZIONE

- The villa Santana is situated in a very central quarter of Pient in Saint Tropez. La Messardière is some hundred meters away, Lys square is less than 5 minutes by car, the Pampelonne beaches are at less than 10 minutes by car.

- The house est set back from the road which gives it a calm and tranquil ambiance.

- It is a neoprovencal bastide which has been built with much care. It has 4 bedrooms all equipped with A/C, 3 bathrooms, a large living room, dining room and numerous terraces. Three of the rooms are located on the same floor as the common rooms. The lower floor contains a bedroom with a studio and a small kitchen. This space can be used independently if so desired.

- Overall, a small and pretty house with an exceptional location.
