BETTY, SAINT-TROPEZ

380 M2
6 ROOMS
POOL
AIR CONDITIONING

DESCRIPTION

- Very near from Les Salins, la Moutte or Les Canebiers beaches, villa Betty is also located a few minutes driving from the place des Lices and from the Port of St Tropez.

- Villa betty is a huge single-storey house perfectly organised to accomodate up to 12 people in the best comfort.
In the main part of the house, a fully and perfectly equipped kitchen (even for important receptions) opened on a shaded terrace on the back of the house as well as a laundry. The corridor leads to a beautiful living-room. its baywindows open on the summer loundge and the swimming pool. Two other loundges (one on the mezzanine, the other with TV) opened on the living-room as well as a huge veranda/dining-room. There are, in this part of the house, two big rooms, one with bathroom, the other with shower room.
In the two independant parts of the house, there is a twin bedroom and a double one, both sharing a bathroom and two other double bedrooms sharing a shower room.
A service room also enjoys an independant entrance near from the kitchen.

- Betty is comfort safety. The warm and meticulous interior decoration, the optimal equipment of the kitchen, the perfect finishing of the bathrooms make it one of the most pleasant test to live in. All rooms have the reversible air-conditioning and all the bedrooms have a television.

- The garden, perfectly maintained, is planted of essences and typical trees from the region and offers several terraces and summer loundges shadowed by the vegetation. A huge and beautiful swimming pool achieves to bring the picture to perfection.
