

## ANASTASIA, SAINT-TROPEZ

500 M2  
6 HABITACIONES  
VISTAS AL MAR  
PISCINA  
AIRE ACONDICIONADO

### DESCRIPCION

- The villa Anastasia, in the Parks of St Tropez, enjoys an absolutely exceptional location. Waterfront with an amazing panorama on the bay, it is less than 10 minutes driving from the place des Lices and from the Port.

- The huge entry hall is opened on a comfortable living and a beautiful living room. The kitchen is perfectly equipped and opened on a charming patio. The sumptuous library is totally made of wood.

The villa Anastasia has 6 double bedrooms with bathroom (of which the Master's room), as well as a service bedroom with its bathroom.

A large balcony, reachable from the two bedrooms of the upper level, offers a superb panorama on the sea.

External living and dining room end up perfecting the comfort of the villa.

- The villa Anastasia is perfectly equipped and furnished in the highest luxury. All the bedrooms are made of marble. The villa is entirely air-conditioned.

- Anastasia's garden is perfectly maintained and offers an exceptional view on the bay.

The pool house has its kitchen and sanitary.
