DESCRIPCION

- The villa Bouillabaisse is located at the entrance of St. Tropez. The beach of la Bouillabaisse is a 5 minute walk, Lices square is 5 minutes by car, and the beaches of Pampelonne are 5 minutes by car.
- The house is an old bastide which has a traditional exterior and resolutely contemporary interiors.
- The house contains 6 bedrooms, two of which are master bedrooms. The interior of the house is decorated in the same neutral tones as the outside giving it a sober, yet at the same time very enjoyable atmosphere. The old stone mixed with contemporary materials provides a unique environment.
- A studio outside gives you an additional living area for personal space.
- The exteriors of the house have been treated with plenty of care.
