DESCRIZIONE

- In an outstanding private and secure domain, the Hacienda is at 40 minutes driving from St Tropez and 20 minutes from the airport of Hyères.

- The Hacienda is a superb and perfectly designed villa. According to the architectural model from which it took its name, there are nine bedrooms and bathrooms all organised around the main part of the villa with the common living rooms.

- As well as the design, the interior decoration of the Hacienda, even if modern, has been inspired from its name. The comfort is total and there is a full equipment.

- The garden of the Hacienda is a piece of heaven and peace. The brilliant swimming pool, surrounded by a luxuriant vegetation, is in the middle of the building construction in U.
The domain offers miscellaneous activities to its occupiers: sailing club, tennis club…
