DESCRIZIONE

Villa Flora is a contemporary villa, nicely decorated, the rustic materials used add a warm touch to the architecture and pure lines of the general design.

Flora is a single story villa lay around a central patio.

The entrance hall deserve a large living room/dining room open on a large covered terrace, the patio and the perfectly equipped kitchen.

Three double bedrooms with en-suite bathrooms and a "boudoir" offers the possibility of a fourth bedroom.
Equipped laundry room.

Outdoor spaces are nicely maintained and carefully landscaped and planted.
