- Decorated with taste, a subtle blend of chic and cozy furniture and color trend, Fanny is a city where you feel good just crossed the threshold.

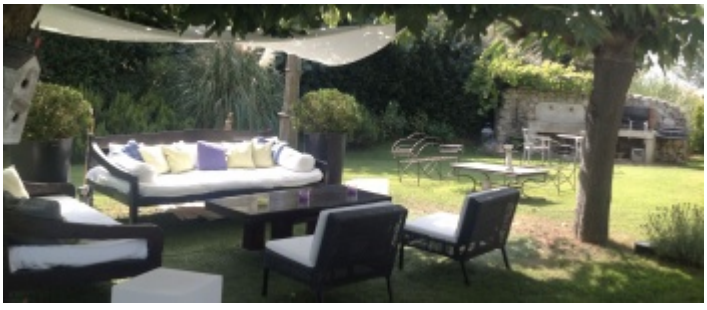

- On ground floor, a large living room with fireplace overlooking the pretty garden door window. The dining room and kitchen are communicating. Away from the living rooms, one double bedroom with guest bathroom. Another room (single) is ideal to house staff. The upper floor is the master bedroom with bathroom and a double room with shower.

- The garden is beautifully maintained, is a call to relax. Lounges shaded by the arbor and the sails are a real invitation to relax and rest.
