DESCRIZIONE

- La Belle Isnarde is a very beautiful small house located at the entrance of a private domain. The Place des Lices is at less than 1 km away. The Tahiti beaches is about 5 min driving.

- The house is organized on two levels. At the ground floor are the kitchen opening on a small but charming garden, two bedrooms and a common bathroom. Upstairs, are the Master bedromm (with A/C), the sitting-room and another bathroom.

- The decoration of the house is quite minimalist and of a very good taste. The sight on the bay of St Tropez is unshakable asset.
